making the world smarter

About us

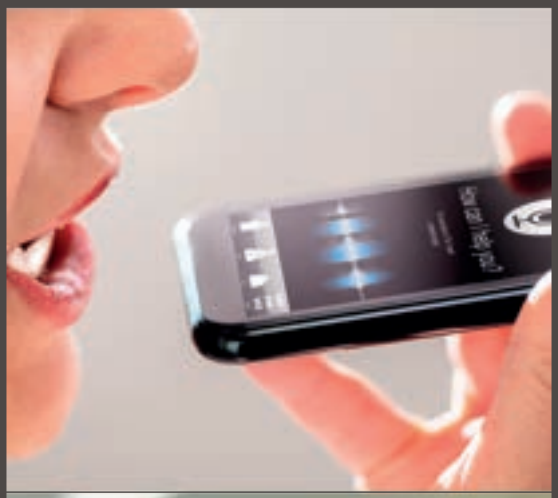
Intelligent, is being able to understand,
Understand the needs to find solutions,
Understand the value of pioneers
Understand what is different to bring something different.
Smart is feeling good when you want to feel good.
Smart is responsible, smart is low consumption,
smart is living with what you need to live,
Smart is in color,
Smart is to raise, lower, turn on, turn off, care, heat everything when life asks you to.
Smart is simple, smart is knowledge, smart is sound.
Smart is less and is more in the right measure.
Smart is the exact time.
Being smart is a responsibility

VTA+
Making the world smarter

VTA+ is a leading company in the design, development, and integration of technological products into Smart Home.

Our international experience allows us to work with distributors, retailers, wholesalers and integrators. We have more than 20 years of experience developing technological solutions that optimize price and quality. We have “all-in-one” technology, and friendly installation, that quickly integrates an easy-to-use mobile application into homes, spaces and companies.

Voice Assistant



Control the smart devices in your home with our easy-to-use app and make your life easier and more convenient.

just ask alexa

works with Siri Shortcuts

works with Google Assistant

- WIFI
- Easy to Setup
- Scenarios and automations with other devices
- Notifications on your mobile devices
- Categories for the whole family
- Support integrated in the APP (with setup videos)
- APP multilanguage
- Video security devices with cloud storage

Alarmas y sensores

Alarms and Sensors

Smart Gas Alarm Grade

VTA-84656

Activates audible alarm

Detects:
- Natural gas (Methane).
- Liquefied Gas (Butane and Propane)
- Urban Coal Gas (Alkane, Olefin, Sand)

Door And Window Open Alarm Sensor Ding

VTA-84654

Ideal for:
- Doors
- Windows
- Drawers

Requires batteries

4 Volume levels adjustable

90 dBA a 1m sound level

Smart Smoke Alarm Tide

VTA-84657

6 Meters — Range

Requires batteries

Activates audible alarm

Sensor Ring Ratius

VTA-84644

6 metros — Detection distance

180° — Detection angle

Connection USB

History time dates

Languages doorbell

Multiple melodies like annunciator and alarm

4 Volume levels adjustable

Alarm Siren Root

VTA-84652

- Rechargeable
- 80 ~ 105Db siren at one meter
- Indoor use
- Complement with other smart products

Smart Temperature Sensor Hygro

VTA-84663

- History time dates
- Clock
- Temperature in °C or °F
- Percentage of humidity

Wireless Doorbell Digit

VTA-84451

- 58 different melodie
- 5 adjustable levels
- 60~85dB Sound
- +50 Meters Range without interference
- S.O.S Panic button function

Help Button Oval

VTA-84452

- Battery rechargeable
- S.O.S Theft alert and security
- Battery level indicator
- Asistant to children or older person
- History time dates
- Indoor use

Motion Sensor Flux

VTA-84641

- 8 Meters — Range
- 120° — Detection angle
- Requires batteries

Motion Sensor Conic Wall

VTA-84465

- 6 Meters — Range
- 180° — Detection angle
- Outdoor use

Motion Sensor Conic Drywall

VTA-84461

- 8 Meters — Range
- 360° — Detection angle

Motion Sensor Conic 360

VTA-84460

- 8 Meters — Range
- 360° — Detection angle

WiFi Alarm System
Quark

VTA-84647

- S.O.S — Theft alert and security
- 6 Meters — Detection
- sound alarm 80 ~ 105db
- Not active with pets
- Motion detection
- 110° — Detection angle

Alarm System
Rank

VTA-84653

- Loss of connection and low battery alert
- 5 Meters — Detection
- Motion detection
- sound alarm 80 ~ 105db
- S.O.S — Panic button function
- 110° — Detection angle
- Requires batteries
